Shibboleth - Identity Provider of TU Dresden Here you will find support regarding registration and the technical integration of services (service providers) with TU Dresden's central authentication system (Identity Provider).

Having trouble logging in?

- Forgot your password?

- If you cannot remember your password, please contact your [1]Service Desk to have a reset.

- Having trouble with two-factor authentication?

- If your second factor (token) is invalid or has been lost, read [2]here.

- If you need more information about two-factor authentication, click [3]here.

- Error after successful login?

- If an error message appears after a successful login, please follow the instruction in this [4]section.

Service Provider Operations

- New Service Provider - Would you like to connect a new service provider within TU Dresden to the Identity Manager?

- Please use our [5]internal application process for this. You can also find further information in our [6]customer documentation.

- Service Provider Authorization - Do you already operate a service provider outside TU Dresden and would like to request authorization from our Identity Provider?

- Please contact our [7]Service Desk with the technical parameters of your service provider and inform us of the desired authorization.

- At a minimum, please provide:

- Connection Protocol (SAML / OIDC)

- For SAML: entityId (OIDC clientId is assigned by us)

- (optional) Metadata/well-known or definition of service provider endpoint details
