### Solution (public)

#### Rooms Access link

If you do not want a personal access link for your room, you can deactivate the option "Personalise meeting" in the tab "Personal settings" via the room administration on the GoToMeeting website when creating a new meeting. You will then receive a link in the form:

<https://global.gotomeeting.com/join/<ID>>

If you enable the option mentioned above, you will receive a personalised link the name abbreviation and title of the event:

<https://gotomeet.me/<NAME>/<TITLE>>

#### Remote control

The GoToMeeting desktop client allows presenters to give other participants control of their keyboard and mouse. For more details, visit the [1]GoToMeeting support website (German).
